Accreditations: Florida A&M University College of Pharmacy and Pharmaceutical Sciences is approved by the Florida Department of Health, Board of Pharmacy as a provider of Continuing Pharmacy Education (CPE).

Florida A&M University College of Pharmacy and Pharmaceutical Sciences is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of Continuing Pharmacy Education.

ACPE is working in partnership with the National Association of Boards of Pharmacy (NABP) to authenticate and store data for completed CP units received by pharmacists and pharmacy technicians from ACPE-accredited providers.

Pharmacy Technicians may obtain their NABP e-profile ID, the unique identification number to be required when registering for a CPE activity from an ACPE-accredited provider, by going to www.MyCPEmonitor.net.

Attendance and Evaluation Forms: You must attend the program to receive credits. As confirmation of attendance, you will be required to complete a continuing education attendance form. Additionally, participants will be required to submit a completed evaluation form for each presentation attended and program evaluation.

Required Information: We will not be allowed to issue CE credit hours without your **NABP number along with your DOB: (MM/DD)**. This information will be required each time you request CE credit hours.

Continuing Education Credits: Continuing Education Credits will be posted on CE Broker and CPE Monitor. Statements of Continuing Pharmacy Education Credits will be mailed four (4) weeks following the program.
