

ABOUT THE COLLEGE

DEAN

Johnnie L. Early, II, PhD, RPh, Fellow NPhA

FOUNDED

Founded in September 1951, the Florida A&M University College of Pharmacy and Pharmaceutical Sciences, Institute of Public Health (CoPPS, IPH) has a rich history of producing high-caliber graduates.

MISSION

The mission of the College of Pharmacy and Pharmaceutical Sciences, Institute of Public Health, in concert with Florida A&M University, is to transform lives through the advancement of health and wellness of all populations, with a special emphasis on the health equity of vulnerable and underserved populations.

ACCREDITATION

The College is accredited through the Accreditation Council for Pharmacy Education (ACPE), the national agency for accreditation professional degree programs in pharmacy and providers of continuing pharmacy education. The Institute of Public Health is accredited through the Council through Education on Public Health (CEPH).

CAMPUSES

The College offers two campus options. The main campus in Tallahassee and the Durell Peaden Rural Pharmacy Education Campus, located in Crestview, Florida. In addition, the College has three practice centers located in Davie, Jacksonville and Tampa, Florida. The practice centers aid in the completion of the Doctor of Pharmacy degree program.

DIVISIONS

The College has four major divisions Clinical Pharmacy; Pharmaceutical Sciences; Economic, Social, and Administrative Pharmacy (ESAP); and Public Health

4

States represented the Emerging Pharmacists
Camp last summer

The **Emerging Pharmacists Camp** is a summer camp designed to expose rising high school juniors and seniors to different areas of pharmacy through lab experiences, field trips, and presentations from pharmacy practitioners. The Summer of 2022 brought campers from the following states: Florida 18; Texas 2; New York 1; Maryland 1.
